- BPOM RI Number: ML 243135000300302

# SOP SUBARASHI GOLD

## Main Ingredients

FRUIT FLOW VEGAN PEPTIDE

SARDINES PEPTIDE

SALMON OVARY PEPTIDE

SALMON CAVIAR PEPTIDE

SALMON ANSERINE PEPTIDE

TUNA HEART PEPTIDE

Formulated with premium ingredients known for their quality and purity, Subarashi Gold helps support the body's natural cell regeneration process. Inspired by the Japanese belief that balanced cellular function is key to overall well-being, it helps the body stay resilient and perform daily functions more efficiently.

# Signs your cell regeneration may be less optimal:

Slow-healing wounds

Dull or dry skin

Frequent fatigue

Weakened immunity

Poor focus or memory

Disturbed sleep patterns

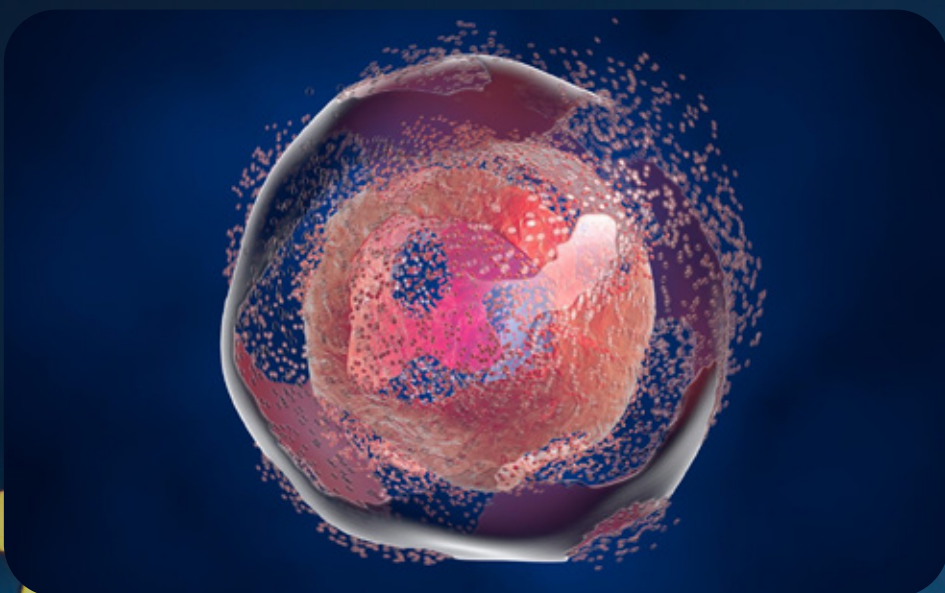

Increased hair loss

Muscle weakness or slower recovery

## When was the last time your cells truly regenerated?

Before Consuming Subarashi Gold

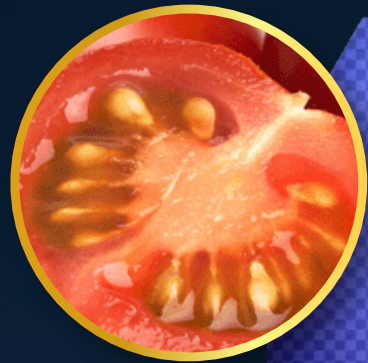

After Consuming Subarashi Gold

# SOP SUBARASHI GOLD

The First Hexapeptide Innovation from Japan

Subarashi Gold is one of AFC's most remarkable creations, formulated with premium bioactive ingredients that support the body's natural cell regeneration process.

This unique formulation features Salmon Ovary Peptide, Japan's first Hexapeptide innovation, known for its ability to help maintain healthy cellular functions and vitality from within.

In Japan, people believe that true wellness begins at the cellular level. When your cells are healthy, your body performs at its best every day.

- Established in 1969, AFC Japan is one of the oldest and largest **PHARMACEUTICAL COMPANIES IN JAPAN.**
- The first pharmaceutical company listed on **TOKYO STOCK EXCHANGE**
- **FIRST** Japanese pharmaceutical factory to get **GMP CERTIFICATE**
- AFC has **5 BIG FACTORIES IN JAPAN**

### Extremely strict ingredient selection process:

Japan is very famous for its technological sophistication. Every product produced from Japan has been through research and supported by the technology sophistication. Making Japanese products known to have the best quality with exceptional results.
